P.O. Box 1450
Alexandria, VA 22313-1450

Sir:

The Notice of Allowability and Examiner's Amendment in this patent application include errors. Correction of those errors in the U.S. Patent and Trademark Office records is respectfully requested.

In particular, as noted in the Examiner's Amendment, claims 35 and 56 are cancelled. However, claim 56 is included within the list of allowed claims in item 2 of the Notice of Allowability. Correction of this matter is requested.

In addition, there are typographical errors in claims 49 and 61 of the Examiner's Amendment, each of which begins with the words "The A". "A" should not be present at the beginning of these claims. Correction of this matter is also respectfully requested.
